NINE NEW STEAMERS FOR THE PACIFIC MAIL COMPANY. CHESTER, Pal, May 1st. NEWS FOR THE ENGLISH MAIL

JAPAN AND FORMOSA. Teh various rumours and counter-mmours with reference to the intention of the Japansors grinder, made a frondied attack on his ese to carry on a war with Formosa, are a the period for which they were originally and \$330 of darge on board himself, and \$220 possible tope of recovery. Since Tuesday last, last set at rest by information the cuthenticity of which is beyond question. Our Special Correspondent in Formosa informs us of the actual outbreak of hostilities, and of some petty encounters between the Japaneso troops who have already landed in considerable numbers and the semi-savage natives of the island... Up to the present, the fighting has been entirely of a guerille nature, and appears strangely insignificant when contrasted with the awful slaughter which has attended recent European warfare. At the same time. it is evident that the Japanese are incarnest. Overtwe thousand troops have alreadyarrived, and a total of three thousand were expected. in concerting measures for a general attack officer a revolver and covering up the blood stains with paper, he endeavoured to aplock The position of the Chinese in the matter

s at once curious and unexpected. It seems

that the Chinese corvette Yangwoo had ar-

a reporter, rang the hell of the outer door, rived in company with a small gun boat, and given, the base was remanded till Wednesday, thereby alarming Waltz, who retreated into brought three Chinese Mandarins from Talthe further corner of his cell. The bell was wan-foo to visit the Japanese Commander-inanswered by the Deputy Shoriff, who, with the Chief. These officials were only formally retwo gentlemen, proceeded to the door of the eived, apparently on the ground of their being nurderer's helf, where they beard the grouns too small to negotiate with. But it would appear that as yet there are no demonstrations reply from Ernst, they, in connection with the of hostility as between the Japanese and the Sheriff, who had just then arrived burst in the door and found Efruit weltering in his life's Chinese. Our Correspondent reports that blood, in the corner to which he had been the Chinese inhabitants of the island are derugged. They at ouce carried the dying man lighted at the slaughter of their enemies, and that they keep on friendly terms with the was then discovored that Waltz bad bis key invadors. It would appear, so far as can b judged from the limited information at preburst into the cell, disarmed the fiend and sent available, that the Chinese, as we surbound him securely to the door. Madical aid was soon in attendance upon Ernet. They mised some time ago, are not loathe to allow found his akuil had been fractured in four the Japanese to settle a difficulty with which places, his head beaten to a jelly and his brains they were unable to cope themselves. It is Ameer, who had expressed no desire for deline- protruding. Portions of his skull were removed. of course, impossible at the present stage of one piece of which is bull the size of a man's proceedings to predict what attitude the hand. The doctors say nothing can be done Chinese may altimately adopt. But for the Broglie's bill for orenting a Second Chamber to the upper storey of the building, and his present they seem likely to take a watching attitude, and so long as they do not perceive The news that Ernst had been killed by Waltz | the danger of the Japanese assuming too The Due de Broglie's Ministry has resigned spread rapidly, and in an incredibly short time strong a position will, if we may judge from great crowds of maddened and excited men their tactics on previous occasions of a rushed to the jail, completely blocking the similar kind, probably leave the Japanese to street, and, with crow-bars in hand, demanded punish the natives, and if it be possible, so work matters that they will come in for a share of the triumph. Should the Japanese Judge Mattis addressed the crowd, who were win, and it appear unlikely that they will orying "Lynch the scoundrel," and urged moon proceed to any extremities in the form of anthem more temperate action, stating that R. n. R. B. King had telegraphed to Governor Dix, nexation, the Chinese will be by no means asking that no reprieve be granted, and that displeased to let them retire, and to gain the benefit of the lesson inflicted upon the unruly inhabitants of Formosa. It is not anlikely that should this contingency arise they will join towards the end of operations with the firing on some fishing-boats in Stanley Bay, Japanese and claim the chief credit of the bus been abandoned, the Viceroy of Canton action. At all events, in such a case we may baving claimed the junk as a Government boat. i military assistance, and Governor Dix sent two be quite sure they will make such a report to Peking as will place their conduct in a favourable light. On the other hand should the Japanese by any possibility fail in their case was withdrawn, that justice expedition, the Chinese will no doubt claim not been allowed to take its course, as it would the credit of success on that score, so that have been incumbent on the men to show bein either case, they will find means to represent matters in a favourable light to Peking. Such, at least, is the conclusion most natural national independence of Afghanistan would be He leaves a wife and four children in destitute to arrive at from the present aspect of affaire, in view of the well-known policy of Chinese officials in such instances. The Japanese, been appointed to enquire into the effect of the who are as astute diplomatists as the Chinese, will probably be able to gauge with tolerable of the Colony was sent in about a month ago, accuracy their designs from time to time: and it remains to be seen whether they will the officer who arrested him, and Walte bas shown on several occasions a special antipathy not show themselves better able to avoid playing so agreeably into Chinese hands, as has been the ease with ourselves, in some instances, where we have assisted them put down some robet bordes, reported to Pe- juries. king that they had subduce both the rebels and the foreigners. A WEALTHY AND BENEVOLENT AMERICAN. -A Mr. James Dick, of San Francisco, hust

It is perfectly clear that at all events, at present, the Chinese do not wish to take up the ground when the Japanese have gone beyond the limits within which it is possibl modution for the Academy of Science and the to negociate; and it seems likely that the Society of Pioneers. He has announced that present war will present an interesting exhe has made provision for endowing, in San ample, of a species of negociations and Francisco, an "Institute of Technology," for fighting such as can only be witnessed ness will doubliss be to bring matters to Chinese. island; but as we stated before, this may prove a difficult task when once they have acquired any sort of ascendency. It is someto have shown a marked bostility to the out that the new arrangement-if is by no means impossible that their imprecsion is that the Japanese and Chinese to further this idea, and thus induce an opposition to the Japanese such as might make them hesitate in carrying out their designs to the full.

PEKING AND THE WOOSUNG BAR

It is almost impossible to repress a smile in reading through the reasons which according For Yokohama:-680 packages General Mer to the Northern papers have influenced the Chinese Authorities at Peking to refuse to take any steps for removing the obstruction at the Woosung Bar. It is difficult to believe that after the number of years interchildish reasons could possibly be offered to the foreign Representatives as a ground for refusing action in so simple a matter. The ber, it is urged, offers an obstruction only to the largest vessels, and this could be easily struction were removed, it would be of no energetically taken up by H. M. Consul. advantage as other obstructions exist higher up the river; the removal of the bar would cause sea sand to enter the river, and finall the bar was placed where it is by Heaven as a protection—it formarly had a fort on it and ought to have one again. Such are the thing Traders Insurance Company's Shares reasons gravely advanced why foreign vessels should be detained at the entrance to the most important port in China. It is impossible to read this jumble of obstinacy, obstructiveness and cool impudence without Hongkong Fire Insurance Company's Sharesalmost despairing of over seeing anything Ohira Fire Insurance Company's Shares -\$133 | worthy the name of progress in China. The N. C. Daily News has the following :-An injunction has been applied for at H. B. Sopreme Court, by the stewards of the Race Clab, to restrain the Committee of the Cricket Club, from proceeding farther with the construction of the new roof over the pavilion on the Cricket Ground. The injunction was provisionally granted until the 21st instant at 2 p.m., whom the Committee of the Cricket Club and the Recreation Fund Trustees are to show cause wby it should not be made perpetual; on the condition that, if cause should not be shown by them, the Race Cinb should establish their claim to its perpetuity. The case will come before the Chief Judge, and promises to be an interceting one, and to settle some knotty points in regard to the Fund in its relations with

several of the recreative institutions. The annual meeting of Ratopayers was held on the 18th instant: The Report and Accounts for 1879-4 and the Estimates for 1874-5 were passed. An amendment to the latter, proposed by Mr. Kidner and seconded by Mr. Wainewright, desiring an increase of taxation from 8 to 10 per cent. on rentale of Chinese houses east of Honan Road, was negatived by 210 voice against 79. A proposal for slight dedection of the Yangtze-poo road near Mr. Hayes house, was adjourned. A proposal allowing Mesers. Fogg & Co. to enclose a strip of the Bund, in consideration of their surre dering the foreshore for the use of the Public. was approved. The construction of a bridge over the Boschow Oreck at the end of Honan Road, and bunding the Hongkew shore, was approved. Power was given to raise a loan of Tis, 10,000 for widening the streets. The purohase of Messre. Geo. Barnet & Co.'s property for Municipal Offices, for Tis. 40,000, was sanctioned. The whole business was concluded by boon, Mr. Carter withdrawing the resolutions of which he had given notice, and which would otherwise have occupied the afternoon. It is understood, however, that a special meeting is likely to be called at un early date, to consider these and other pending matters.

We hear that the French Consul-General bas asked certain Consuls to prosecute individuals claiming their protection, for abooting Chinese during the night of the riot. We form. It is well that the matter should be In a supplement, the Herald publishes the investigated; for though some abots fired during the heat of the riot were no doubt justifiable, there seems equally little doubt that others were fired recklessly after danger was over, and were blameable. Of course M. Godeaux will institute, in his own Court, similar proceedings, in the case of his own nationals, to those which be his asked his colleagues to take.

At H. B. M. Supreme Court on the 19th May, before Sir E. Hornby, Chief-Judge, Mr. Drum-Insurance Company (plaintiffs in a suit we tion was oltimately refused.

It is said that H. M. Minister has expressed bimself in favour of the liability of the Chinese and indirect nature, to the extent of about Tis. 10,000; bave been cent in by British subjects. British interests involved. We bear that the three Swiss gentlemen who

wore denied the recognition bither to extended It is said that Herr Annecke, formerly Ger-

d'Affaires at Peking, will change places with Herr Von Brandt, the Intter becoming Minister Resident at Peking, and Herr Annecke assuming the sume position at Yeddo. We learn that Shen Pao-chen, a red button mandarin, formerly Chinese head of the Foochow Arsenal and at one time Futuiof Kiangei. has been ordered, by Imperial Decree, to pro-

ceed to Tuiwan, as Special Commissioner for the Chinese Government. This would show It is not a little strange that while he times | that the authorities at Peking are becoming re hard, and business is slack, the public spirit alive to the importance of looking after their most prosperous days of yore. The Another idea suggests itself; that with the action of the Consul, so far, gives the most Royal Asiatic Society Lecture Room, Museum, satisfactory evidence that he is the right man and Library, and the Shanghai Public Library | for the place, and augurs well for the future, beyond the boundary wall, and Post Office on May 25th, 1874.

this eide of it, the tendancy of men of letters to congregate together is well illustrated. It is stated that M. Godenux, French Conaul-General, bas been during the past week, taking evidence with the view of drawing up a report on the recent riot in the French Concesalou-of the causes which led to it and the circumstances that attended it. This is, indeed, only what was to have been expected. But it is a significant fact that a number, -indeed, we may say the majority, of those who were eyewitnesses of the affair at its various stages, ascertain, have the archives of the Municipality been appealed to; where alone the full history of the hands and roads in dispute can be found. On the other hand, the evidence of men holding situations within the pleasure or influence of the Consul-General, and that of the Joss-house administrators, and other Ningpo men, is freely admitted. What chance such evidenc has o representing " the truth, the whole truth, and nothing but the truth." we leave our readers to eny. But as M. Godeanx bas thus, in perfect consistency with his conduct throughout the whole continuence of these troubles, kept aloos from, and acted independently of, so to say in defiance of, his Consular brethren, we do not see what prevents them from-nay, we think there are very grave considerations arging them. on to-holding, in their corporate capacity, an official investigation into the whole matter, Unless, indeed, it has been held better for ear of the Consuls whose nationals claim compensation, for injury or loss, to throw on the Chinese officials the ongs of inaugurating such an investigation when the claims for compensation are presented to them. Perhaps this latter method is the more judicious. For that such and such foreigners suffered such and such personal injuries and loss of property at the hands of Chingse rioters can be easily proved (and the claims sent in will no doubt be accompanied by the necessary depositions and duly attested details,) and it is for those responsible for the order and good government of the Chinese to show cause why they should not make adequate

taken by the late Government of Great Britain, | Squior Conent, I have written to the officials in is likely to have permanent effect. We allude the Silk District; and now issue this proclama-

of nesisting in the conduct of the forbidden traffic. Curiously enough, the vessels leaving Hongkong did not proceed to Macao and clear for foreign ports, as unyone would imagine" who did not know China. On the contrury, they seem to have gone in a hody into the Canton river; and here probably they would have been allowed to remain and refit at their leisure, within Chinese wise enticing away Chinese subjects, but for lency seemed doubtful as to what he could do in the matter, on the ground that it was not easy to distinguish a coolio from a

trading ship; but I augested that the fittings of a vossel would determine that at once, and he might direct Mr. Acting Commissioner Brown of the Chatoma to ascertain the fact by examination." The result was, that the native As will be seen from our Peking news given authorities gave notice that "no vessel being destined for the carriage of coolies and belonginformed circles there, that Their Excellencies, | ing to a non-treaty power would for the

There could be no doubt, in view of the long deriving no immediate benefit from the indivihistory of the negotiations for the first audience, dual gains of its colonies, superintends the and the style of it when at length granted, that proper carrying out of all such contracts and the Chinese would use the almost exhaustless regulations. In the South American Republics, devices of their state craft to avoid granting on the other hand, the rulers of the states and another. So that, even supposing that some the framers of the laws are those most interestexceedingly abnormal and important and ed in making the most out of the immigrant. It drgent crisis bad arisen in the foreign relations is not in human nature that the coolie in Cuba of China, furnishing the Ministers with a reas or Peru should find himself on an equal footing sonable basis on which to demand the opport with his fellow in Demorara, yet there is a

(N. C. Daily News.) The following documents show the action aken by the Taotai, on receipt of the letter written some weeks ago, regarding the deterioraion of China silk.

United States, Consulate-General, Shanghai, 19th May, 1874. I. FEARON, ESC.

Chairman of the Chamber of Commerce, Sir. I have the honor to transmit to you perewith a copy of a letter with enclosure. which I received as Senior Consul from the Pageni, in regard to your representation about the inferior quality of Chinese silks.

I am Sir, your obedient servant, (Sd.) GEORGE F. SEWARD Consul General. AUTAI to Mr. SEWARD.

U. S. Consul-General and Sonior Consul. 25th 3rd Moon, May 10th, 1871. I have your Excellency's letter informing me ant the Chamber of Commerce has received letters from Europe and America, complaining but the quality of last season's silk was no improvement on the silk of the previous few venter of which complaint had before been mide. I will issue a Proclamation, and write to the Chekiang Taotai, and to the Kin Shing. Hangchow, and Hoochow Taotais, in regard to the matter and ask them to issue Proclamations. I enclose a copy of my Proclamation. I have to request that you will inform the

Interpreter. May 13th, 1874. AOTAL'S PROCLAMATION TO THE PRODUCERS OF SILE.

On the 20th Srd Moon, I received a letter from Mr. Seward. U.S. Consul-General, on behalf of the whole number of Consuls, stating that the Chamber of Commerce had received that the Silk of last senson was no improvement, but rather worse, than that of the provions few years, of which complaint has heretofore been made. He also forwarded to me two conies of a notice prepared by the Chamber of Commerce for circulation among silk dealers. In China, silk is a very important article of Commerce, and all those engaged in the preburation of and dealing in silk, should be fuithful and bonest, and on no account allow the least conuterfeit in its preparation. I have before issued proclamations in regard to this One of the few cases of decided action under- matter. Having received this letter from the

ENGLISH AND CHINESE DICTIONARY WITH THE PUNTI AND MANDARIN PRONUNCIATION: An Anglo-Chinese Dictionary, published

at the Daily Press Office. Hongkong.

MOR comprehensiveness and practical service this Work stands unrivalled. All toe new current rutes. words which the Chinese have of late years been compelled to com to express the numerous objects in muchinery, photography, telegraphy, and in soience generally, which the rapid advance of foreign relations has imposed upon them, are here given in extenso. Each and every word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given, the accents being carefully marked on to the extend of £10,000, on Buildings or on the best principle hitherto attained. The typo- Goods stored therein. graphy displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously attained, and dispensing with those vast margins and vacant spaces which have peretofore characterized Chinese publications. To illustrate the vast ecope of the work, the following facts are submitted for consideration. Chalmers' Vocabularly contains about 16,000. Chinese characters, and Medhurst's, English PHUNIX FIRE INSURANCE UUM PAN and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English words, and upwards of 600,000 Chinese characters. Again, despite all the gramman and other elementary works as yet published, the Fire to the extent of \$40,000, on Buildings, or student of this difficult language absolutely re- on Goods stored therein." quires examples to display the various applications and conivalents of different words which have one general meaning. Of these examples this work contains more than five times as many as may other Dictionary hitherto pub-

lished. For practical purposes the arrangement of the work is so complete, that a reference to its pages enables a person who understands English to communicate effectively. with natives who understand nothing but Chimesa. In this respect the work will be found indispensable to all Europeans residing in Ohina, and to the natives themselves it explains subjects fully with which very few indeed of them are perfectly acquainted! To parties resident in England and interested in China it cannot but be invaluable occasionally.
